

Remote Learning Plan

In the event that you and your child need to self-isolate as a measure in the prevention of the spread of COVID-19, the following electronic resources can be used to explore your child's learning. If we are asked to close the playgroup as a measure in the prevention of the spread of COVID-19, your child's Key Person will use your Tapestry account to provide further guidance for relevant activities for you to do with your child.

We would recommend that you supervise your child's access to these websites, to ensure that they are using these sites appropriately.

Name of Resource	How to find it	What will I find?
Phonics Play	https://www.phonicsplay.co.uk/	Free interactive Phase 1 activities for you to explore and try together that support Letters & Sounds Phonics Programme at the Playgroup.
